### LINES OF RESEARCH

Although both from the point of view of teaching as in various publications I have addressed issues of the various subjects that are part of the Roman Law, my main lines of research can be summarized in: **Private Law: the process:** The legal persecution of Prisciliano. Iusiurandum in litem. **Roman Administrative Law:** Legal régime of the mines in the Roman *Gallaecia*. The roman army in Hispania. *Hispani* and their Access to the roman citizens. *Ius Latii* in Hispania. *Ius honorum* in Ancient Rome. Electoral advertising. The importance of the bilingualism in the republican and imperial Rome. The protection of the environment in the Ancient Rome. **Criminal Roman Law:** Private crime, in classic, Postclassic and justinian law. About fraud and guilt. The collective verbal insult: the *edictum of convicio*. **Family Law:** The edictum *of adtemptata pudicitia*. Roman woman. The power of *paterfamilias*. The *consilium domesticum*. Lucretia, role model in Ancient Rome. **Current Law.** Family mediation. Economic regime matrimonial in Galician civil law. The principle *ne bis in idem* in Europe.
