

Law and Society

Instructor: Xenia Chiaramonte

4 credits (24 hours) – 2023/2024

What is the role of law in society?

The art of law displays a special quality: the reduction of the ‘things’ of the social world through the construction of categories, and the use of these same categories to conduct legal operations.

including modules on:

- Law and social control
- Critical theories of punishment
- Legal mobilization
- Empirical studies and law

Class Schedule:

Thursdays: 5-7 pm Aula D
